

2018 Summer Membership

Welcome & Thank you for joining the Annual Summer Membership program at Atlantic National Golf Club!

Atlantic National Golf Club takes pride in maintaining the excellent course conditions across the property. We wish to remind you that it is **THE GOLFER'S** responsibility to care for the course. We want to remind you to fix ball marks (plus one more), rake all bunkers after use, and fill divots with the sand provided on each golf car. We appreciate all your efforts to help maintain our facility!

ANGC reserves the right to revoke membership at any time without cause. Actionable offenses include but are not limited to:

- Shoplifting
- Violent or aggressive behavior to other persons on course property
- Abusive, disrespectful or threatening behavior toward a staff member or fellow patron
- Profanity used toward a staff member or fellow patron
- Abusive misuse of any ANGC property
- Behavior which violates public laws governing criminal behavior, such as lewdness, disorderly conduct, assault, or vandalism.

In the event a membership is nullified, membership is non-transferable and non-refundable.

As a Summer Member, you are guaranteed the **BEST** price available. **DO NOT** make any reservations online through GolfNow or via our website booking portal as these reservations *cannot* be altered and are not the same fees as your membership.

During the course of the summer, our maintenance staff will be performing various projects. We will do our best to keep you informed of said projects if our Superintendent believes they will be a hindrance to your experience.

ANGC will be closed for Aerification to the Greens: May 29th/30th & September 4th/5th, 2018.
